**Attachment A**

**325, 339-341 Water Street, Fitchburg, MA**

325, 339-341 Water Street is a light colored, warehouse building with a commercial storefront space in the front of the building that abuts Water Street. This commercial space has large windows that run along the front and side of the building. These windows have been covered by paper and a white substance to prevent individuals from seeing inside. Two of the windows that face the parking lot on Water Street have the words "Pets Sense" on them in white lettering (the location was formerly used as a pet store). The building takes a large portion of the property at the intersection of Water and Spruce Street. The rear of the building faces Hale Street and has a new white garage door which accesses what is believed to be the warehouse section of the building. A building permit issued to John Kosta is clearly visible in the window next to the entrance on the side of the building that faces the parking lot.
